Help Support Small Businesses!

Local Comcast RISE Buyer's Guide

The local businesses featured in this guide were selected as Comcast RISE awardees following their application to the program. Current business status or receipt of award has not been verified. Updates will be made regularly as additional recipients are named.

Creative Motion

Thank you for taking the time to peruse our Comcast RISE Local Buyer's Guide and support our local businesses across the Greater Philadelphia Area. Comcast RISE stands for Representation, Investment, Strength and Empowerment. Comcast RISE was created in November 2020 to help small businesses hardest hit by COVID-19, from bakeries and barber shops to childcare centers and cleaning services, by providing the grants and services needed to survive and recover. The program has evolved from helping businesses survive the pandemic, to helping businesses and their communities achieve stronger economic growth.

To date, more than 13,500 entrepreneurs nationwide have received grants through the Comcast RISE program. This is on top of the more than \$125 million in monetary, marketing and technology grants awarded since 2020. Locally, Comcast RISE has awarded more than 1,300 small businesses across Greater Philadelphia, New Jersey and northern Delaware with more than \$13 million in total grants and services since the program launched.

One thing remains the same: It is so important to support these local businesses, and the first step in doing so is learning where they are in our region. That is why Comcast RISE was launched and the Comcast RISE Local Buyer's Guide was created.

We are proud to continue this ongoing investment and help ensure the long-term success of these small, yet critical, businesses. As individuals, all it takes to support any one of these businesses is simply become a patron. While it may not seem like much, completing daily tasks like shopping, eating, drinking or acquiring services at one of these businesses can make a huge difference. We are all in this together, and showing our Comcast RISE businesses this solidarity is the best way to serve the small business community. Once again, I thank you for supporting the Comcast RISE program and all the businesses that are a part of it, and I know that together, we can help these businesses continue to thrive.

Regards,

Mike Loudon

“ In 2021, I was sent a link to apply for a Comcast RISE grant. As a Black Entrepreneur, grants often require you to jump through hoops to apply. It was refreshing to receive the funding and resources to support our business. I love that Comcast RISE continued to support us after the resources and grants were deployed. They continually check in to see how we are doing and what other support is needed. We used the funding to update our recording equipment to increase quality and presentation. Upgrading our equipment has increased our revenue and expanded our clientele. I hope Comcast continues to fund and support Black and Brown businesses through the Comcast RISE program. ”

“ I am so happy that the Comcast RISE program came about, and I was selected for the technology makeover. The support from Comcast RISE and the technology we received has been great for my business. I would have never been able to afford the iPads and desktop computer that Comcast provided. I'm hoping that in the future we'll continue to be able to use technology to bring in more students and deliver the fast speeds and seamless connection that our students desire.”

“ I know that a lot of small businesses applied for the Comcast RISE program, so it is a complete honor to know that my boutique was chosen. I’m going to put the grant towards investing in my business by increasing my marketing to my targeted audience and for inventory to help it grow and become more profitable. I’m very grateful to Comcast for choosing me.”
